Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 19 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and windy, with some outbreaks of rain. Staying mild.

This Evening and Tonight:
It will stay rather cloudy and windy overnight. However, most places will become drier as the night progresses, as most of the rain clears away northeastwards. Strong winds along the coast. It will be a mild night for many. . Minimum temperature 8 deg C (46 deg F).

Saturday:
Dry and rather cloudy for eastern areas, although some brighter spells could develop. Cloudier further west with outbreaks of rain likely, but still many places will remain dry. Breezy. Mild. Maximum temperature 15 deg C (59 deg F).

Outlook for Sunday to Tuesday:
Sunday patchy rain gradually fading away. Monday dull with further spells of rain likely. Tuesday perhaps rain for western areas, dry and brighter further east. Mild, becoming very mild Tuesday.
